

**CITY OF LA HABRA
MEMBER OF THE CITY COUNCIL**

STEVE ANDERSON

AGE: 52

OCCUPATION: Small Business Owner

I first ran for office in 1992 with the belief that the power to make a difference and improve the quality of life in our community began at the grass roots level. Now, after 12 years of public service, I believe I have acquired the valuable experience and have demonstrated the leadership skills and traits, necessary to effectively serve and represent you. Today, we see reborn and thriving businesses and recreational facilities for our youth and seniors alike. Our emergency medical, fire and police personnel are highly trained, equipped with modern equipment, and we benefit from reduced emergency response times to your calls for assistance. Our streets, sidewalks, water and sewer systems continue to be upgraded at an unprecedented rate. I currently serve on several regional commissions with the goal of procuring funds and projects to insure that La Habra's best interests are served.

We have witnessed remarkable progress, however, these are difficult times and we face uncertain challenges in preserving what we have accomplished. I believe that my experience and proven track record qualify me to face those challenges on your behalf. Help me make La Habra the best place to live, work, shop and play.
